

Breakouts and Drop-ins

Breakouts:

Adult Ministry 101

We'll explore our approach to raising up group leaders, engaging attendees in group opportunities, and creating groups where connections flourish around any topic.

Adult Ministry 201

Looking at LCBC's model and systems designed to introduce people to Jesus and together fully follow him.

Care Ministry 101

Discover how to create a culture where care is everyone's responsibility, not just one department or individual.

Care Ministry 201

Explore the financial side of care, such as benevolence and financial coaching.

Church Finance 101

Discuss the basics of financial management in the church and how to steward the resources God provides.

Church Finance 201

Explore the powerful relationship between our spiritual growth and our attitude and actions toward the money and possessions God has provided.

Church Finance 301

How to empower and activate lead givers at your church.

Church Leadership

Hear from Senior Pastor Jason Mitchell as he shares the mission and vision of leadership at LCBC.

Church Security

Learn how we prioritize safety while providing a space where anyone can grow in their relationship with God.

Creating Church/Staff Culture

We know there's a difference between having our mission or values posted or written on the wall versus imprinted on our hearts. Learn elements that are unique to LCBC's culture and ways we identify and develop those attributes within our staff.

Guest Experience 101

Our Guest Experience teams exist to show people they matter to God and to us. Explore how we welcome our guests “from the street to the seat,” helping them feel valued, accepted, and known.

Guest Experience 201

A guest’s experience with church isn’t limited to the weekend. Walk through how we continue caring for our guests even after they leave the church building.

Kid Ministry 101

Discover how we engage kids, empower parents, and equip leaders.

Kid Ministry 201

Going deeper with engaging kids, empowering parents, and equipping leaders.

Microsites

Learn from what we’ve tried: what worked, what hasn’t, and how we all can start new works.

Multisites

We discuss the key components of expanding our model to reach those far from God and developing the leaders to carry that mission forward.

Navigating Conversations About Sexuality

In this breakout, we will share how we are seeking to guide people toward honoring God with the choices they make in response to their sexual desires - whether those desires are directed toward the opposite sex or the same sex.

Spouses of Pastors

An informal time of conversation and Q&A with Jenny Mitchell, wife of LCBC Senior Pastor Jason Mitchell.

Student Ministry 101

How we strive to create environments and events that help students stick.

Student Ministry 201

Our approach to Student discipleship through relationships and building strong small group leaders.

Sustaining Volunteers

Discover practical, efficient, and focused ways to pour into your volunteer teams.

Volunteer Onboarding

Valuing, preparing, and equipping your best asset - your volunteers.

Worship & Arts 101

Discover how to design powerful, engaging worship experiences.

Worship & Arts 201

Developing and sustaining worship and creative arts leaders.

Drop-in Areas & Topics:

Stop by and ask our teams anything, anytime throughout the day!

Communications & Marketing

Graphic design, video, and marketing: Covering creative processes and how we partner with other ministry teams to solve their unique challenges and problems.

Digital Solutions

Websites, workflows, mobile apps, databases, and how our systems and platforms support our processes.

Online Church

Leveraging the Church Online platform to reach more people.

HR/Team Development & Resourcing

Helping staff grow spiritually, professionally, and relationally so they are impassioned to serve the local church.

IT- Information Technology

Computer systems, software, hardware, and all other information technology services for our staff and church.

Kid Ministry - Buddy Ministry

Supporting kids and students with needs through resources, strategies, assets, and 1:1 Buddies.
