All are invited, all can find grace

You took the weight of our sin
You made us whole again
Death could not hold You down
Our God is alive
All of our debt has been paid
Jesus You made a way
This is the hope we have found

Our God is alive

Verse 3

We won't be silent, we can't stop now
More need to hear the gospel resound

Our God is alive

Let our song go on
Let Your gospel sing
Let Your fame be known
Let our praises ring
You have made a way
You have overcome
You have conquered death
You reign victorious
