Original Key: B BPM: 57.5 Time: 4:12

Intro

Verse 1

With the angels, sing, to our God and King
Sounding loud with endless praise
Every voice and tongue singing out as one
Singing holy is Your name

Chorus

Let it rage on like the fury of the waves
Pouring out Your praise as they tear across the sea
We will sing
Let it rage on like the power of the wind
Never giving in
Lord forever we will sing
We will sing

Verse 2

In every ocean found
A thousand leagues bow down
In their fury they profess
Hear creation's song ever raging on
Til the wind runs out of breath

Chorus

Let it rage on like the fury of the waves
Pouring out Your praise as they tear across the sea
We will sing
Let it rage on like the power of the wind
Never giving in
Lord forever we will sing, we will sing

Bridge 1 (x2)

Holy holy holy

Bridge 2 (x2)

Holy holy holy
Holy holy holy

Chorus

Let it rage on Like the fury of the waves
Pouring out Your praise as they tear across the sea
We will sing
Let it rage on like the power of the wind
Never giving in
Lord forever we will sing, we will sing
