Verse 1

By the Father, through the Son
In the spirit, oh we come
We join together with the saints
Heaven's chorus now our praise

We sing to the one and only
Our God who saves
We sing to the One that's worthy
We lift Your name

God our father gave his son
His death was mercy, now death is done
Resurrected Christ proclaimed
Sin defeated by His name

Chorus (x2)

We sing to the one and only
Our God who saves
We sing to the One that's worthy
We lift Your name

Interlude

Bridge (x2)

For Your power, for Your glory
And all the ways that You are holy
For Your honor and all Your fame
Jesus we lift Your name
For Your power, for Your glory
And all the ways that You are holy
For Your honor and all Your fame
The name above all names

We sing to the one and only
Our God who saves
