Original Key: C BPM: 65 Time: 4:42

Intro

Verse 1

We are lives being changed by Christ
As our tangled hearts unwind
We were bound but we've been untied
By a love we could never find

Pre-Chorus

But we are found in You

Chorus

Jesus, You're the one who saves us
Take our lives and change us all for You
Jesus, there's no other Savior
We are bought and paid for because of You

Verse 2

We are lives being made brand new
You have done what we could not do
We believe that Your word is true
And we believe You will see us through

Chorus (x2)

Jesus, You're the one who saves us
Take our lives and change us all for You
Jesus, there's no other Savior
We are bought and paid for because of You

Bridge (x2)

You, You are the way, the truth and the life
And so we can say, "We are changed by Christ"
You are the way, the truth and the life
And so we are lives, changed by Christ

Instrumental

Chorus

Jesus, You're the one who saves us
Take our lives and change us all for You
Jesus, there's no other Savior
We are bought and paid for because of You
