Intro

Verse 1

I've tried it on my own
I've run away before
I've chased the wind in search of something more
I've climbed to every height
And fallen far below
But nothing else could satisfy my soul

Chorus

Jesus, You're all I want
You're all I've ever needed
Jesus, You have my heart
Now there is nothing left

Verse 2

Your kindness pulls me close
Close to where You are
You surround me with a peace that fills my heart
Your goodness draws me in
Your love won't let me go
You're faithful to Your promises I know

Chorus 2

Jesus, You're all I want
You're all I've ever needed
Jesus, You have my heart
Now there is nothing left but
Jesus, You're all I want
You're all I've ever needed
Jesus, You have my heart
Now there is nothing left but You

Interlude

Bridge (3x)

Every wall will fall down
All the darkness has to flee
Every lie is erased
Every fear has to leave
Now I'm standing in Your love
No longer bound by all my shame
You're my strength that never fades
I am free in Your name

Chorus 3

Jesus, You're all I want
You're all I've ever needed
Jesus, You have my heart
Now there is nothing left but

Chorus 1

Jesus, You're all I want
You're all I've ever needed
Jesus, You have my heart
Now there is nothing left but You
