Verse 1

Tired of runnin'
In my own strength
Tired of chasin'
Meaningless things
Help me surrender
Help me to see
You are sufficient for me

When I am weary
When I am weak
When I am empty
Facing defeat
Help me surrender
Help me to see
You are sufficient for me

Chorus

Truly the Lord is good
Hallelujah
Surely my soul will sing
Hallelujah

Interlude

You are sufficient for me
