Verse 1

It's a narrow road to walk
It's a narrow path to take
Not for the faint of heart
It's refining of the faith
You call into the night
You're showing me the way

Chorus

Be the light unto my path
Be the lamp unto my feet
I don't wanna run ahead
Just give enough so I can see
I will follow where You lead

Verse 2

What a faithful friend I have
What a faithful guide You are
You have never left my side
You're right here for my regard
So why then should I fear?
You have overcome the dark

Chorus

Be the light unto my path
Be the lamp unto my feet
I don't wanna run ahead
Just give enough so I can see
I will follow where You lead

Bridge

Where You go that's where I'll go
Where You are that's where I wanna be
Where You go that's where I'll go
Where I'll go, Where I'll go

Chorus

Be the light unto my path
Be the lamp unto my feet
I don't wanna run ahead
Just give enough so I can see
I will follow where You lead
I will follow where You lead
I will follow where You lead
