Intro

Verse 1

All that I have
All of my treasures here on earth
Could never compare
To all that I share with You
Untied from my worries
Untied from my frail anxieties
I come alive, I start to thrive in You

Chorus 1

You heal the broken hearted
And You set the captives free
I stand in awe of Your wonder
And how You've cared for me
You are enough
And You're all I'll ever need

Interlude

Verse 2

No longer a prisoner
No longer a slave to death and grave
I am alive, I am a child redeemed
Here in Your presence
Fulfilled in the fullness of Your love
All of my days, all of my praise to You

Chorus 2

You heal the broken hearted
And You set the captives free
I stand in awe of Your wonder
And how You've cared for me
You are enough
And You're all I'll ever need
